1591

WOODY
FRAGRANCE
WOODY

Fragrance developed by a unique manufacturing process, with aged wine alcohol in oak barrels.

With wine alcohol aged in oak barrels.

MALBEC CLUB
INTENSE EDT, 100 ml
5362

WOODY FRAGRANCE
WOODY

A fragrance woody with Malbec's DNA, but surprisingly more sophisticated and intense.

Malbec Club bottles are made of recycled glass, **avoiding an annual waste of 180 tons** of material.

malbec

Malbec believes that the power of attraction lies in man's **authenticity and confidence**. So it draws inspiration from sophisticated wine art to create striking and engaging fragrances.

MALBEC X

Malbec X
is an extremely
addictive and
engaging fragrance.
Intense and
Irresistible, this
new perfume has
an X factor, an
ingredient to give
you even more
confidence. To
form this seductive
fragrance, the
product combines
the enveloping
notes of amber
with patchouli.

**With the exclusive X
Factor:**
an ingredient that
has proven to arouse
confidence and
increases the power
of attraction.*

Grain care to skin

Quinoa is a powerful ingredient for repairing and **renewing your skin!**

IT ALL STARTED WITH THE GRAIN

Grain In whole
Body In Whole
Beauty In Whole
Care In Whole
Being In Whole

A BEING THAT BECOMES CULTURE

- **Nutritious formula** rich in omegas 3, 6, 9
- Super powerful antioxidant protection
- **Hydrated and much softer skin**, visibly firmer, tonified, and **enriched with collagen**

Nativa Spa believes in a new form of care, from grain to skin. That inspires you to be in whole. A whole new way of caring and living, which experiences the small moments of daily life and respects the truth of each one. With the mission of inspiring people to take care of themselves, take care of others, take care of the planet.

Nativa SPA. Grain care to skin

MAKE B. IT IS DERMOMAKE MAKEUP THAT TAKES CARE

fashion berry 7004

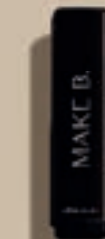

Step 1
Remove the lid and separate the body from the base of the package, unscrewing and pulling each to one side.

Step 2
Fits and screws the lipstick refill into the base and presses until it is firm.

Step 3
After removing the transparent cover from the refill, the lipstick is ready to be used!

Step 4
After use, snap the lid and press until you hear a click that indicates it is closed.
